# How long do we let health care suffer?

It's time to give our uninsured patients first-class access to health care. Blueprint Louisiana, with input from people like you, has developed a plan that improves access to local care and strengthens doctor training. And we need your help. Spend five minutes at [www.blueprintlouisiana.org](http://www.blueprintlouisiana.org) to learn how you can make a difference in improving not only health care, but ethics, education and roads, too.

Together, we will make it happen.
